FLEXIBILITY REQUEST FORM

BUDGET UNIT NUMBER: 41910C	DEPARTMENT: ECONOMIC DEVELOPMENT
BUDGET UNIT NAME: 3612 Administrative Svs PS-0101 2173 Administrative Svs E&E-0101	DIVISION: Administrative Services

1. Provide the amount by fund of personal service flexibility and the amount by fund of expense and equipment flexibility you are requesting in dollar and percentage terms and explain why the flexibility is needed. If flexibility is being requested among divisions, provide the amount by fund of flexibility you are requesting in dollar and percentage terms and explain why the flexibility is needed.

The department is requesting 20% flexibility between the Personal Service and/or Expense and Equipment appropriation. This increased flexibility is needed to ensure our ability to immediately address any identified operational modifications to ensure the provision of the highest quality services to Missourians. Areas of need include employee training and development and replacement of equipment that has exceeded its useful life and/or repair costs that makes it prohibitive to maintain. Flexibility may also be necessary to reimburse the DED Administrative Fund for personal services of MIS staff that support General Revenue funded divisions.

2. CORE DESCRIPTION									
<p>Management of state information technology resources has been consolidated under the Office of Administration. For FY06, all funding for information technology staff and computer equipment was reallocated to this new section within each department. These resources are under the direct control of the state's Chief Information Officer, who is assessing the information technology staffing and equipment requirements for each department. This should result in a better, more coordinated use of state resources. For FY07, information technology funding was transferred out to the Office of Administration, Information Technology Services Division.</p>
